

COROLLA SALOON

WE MAKE IT HYBRID

THE COROLLA HYBRID. WE CHOOSE HYBRID

The world's best-selling car is now even more appealing. With an innovative self-charging hybrid powertrain and a completely new approach to design and engineering, the Corolla is back – and it's even more fun to drive. A sleek new look matches its spirited performance, while upgraded technology and updated safety features make sure the Corolla Saloon is better than ever before.

**YOU
MAKE
IT**

COROLLA

Local specification may vary from images shown throughout this brochure.

WE
MAKE
IT

SELF- CHARGING

YOU MAKE IT

POSITIVELY CHARGED

RESPONSIVE, SMOOTH AND INCREDIBLY EFFICIENT

With its responsive 1.8 litre hybrid powertrain, the new Corolla Saloon makes driving a joy. Smooth, quiet and incredibly efficient, its electric motor works in harmony with the petrol engine to deliver the acceleration you need, when you need it – exactly what you'd expect from a company that's been building hybrids for more than 20 years. And because the car charges itself by recovering energy in real-time, you don't even need to plug it in. This is hybrid, the way it is meant to be.

WE MAKE IT

EFFICIENT

DESIGNED TO BE ENJOYED

The Corolla Saloon is built using the Toyota New Global Architecture (TNGA) platform. As a result, its centre of gravity is lower and its chassis is more rigid, delivering dynamic handling and giving you a greater sense of control. Improved suspension ensures a smoother, quieter, more comfortable ride, while the 1.8 litre hybrid delivers a driving experience that is as exhilarating as it is efficient.

IN STYLE

**SLEEK AND DYNAMIC –
IN LOOKS AND SUBSTANCE**

The body of the Corolla Saloon is characterised by refined, flowing lines, while its streamlined silhouette and wide stance lend it an undeniable sense of power. Corolla has substance and style in equal measure.

WE MAKE IT REFINED

SPACIOUS WITH ABSOLUTE COMFORT FOR ALL

The Corolla Saloon is built around a thoughtfully designed, premium interior. Spacious and light, it puts every control at the driver's fingertips, while offering class-leading comfort for each passenger. With heated front and rear seats*, convenient storage areas throughout, dual-zone climate control and atmospheric blue ambient lighting*, the Corolla Saloon is a place where you feel comfortable, wherever you need to go. The cockpit effortlessly combines the distinct interior design with a suite of helpful technology that couldn't be easier to use. Six speakers deliver crystal-clear sound, while the Toyota Touch® 2 media is accessed via the 8" full-colour touchscreen.

* Luna Sport & Sol grades.

YOU MAKE IT

COMFORTABLE

WE MAKE IT
READY

YOU MAKE IT

HOME SAFELY

PEACE OF MIND AT ALL TIMES

Safety is not an option – it's standard. All Corolla Saloon grades come equipped with the unique Toyota Safety Sense – an array of updated safety features that makes driving easier and safer for you and other road users alike. The Pre-Collision System has been updated to include Night-time Pedestrian Detection, allowing the car to recognise people in its path and automatically react if needed – no matter how dark it is outside. Plus, with its new Daytime Cyclist Detection technology, the Corolla Saloon spots bicycles too.

ALSO INCLUDING

Full-range Adaptive Cruise Control

Maintains a constant speed without the use of the accelerator pedal, keeping a minimum, pre-set distance from the vehicle in front. If this distance falls or rises, the system reduces or increases its speed to preserve the distance between the car and the vehicle ahead.

Lane Trace Assist

To position itself in the road, the car uses either lane markings or the driving path of the vehicle ahead. If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

Automatic High Beam

Detects the lights of oncoming vehicles and traffic ahead while monitoring the brightness of street lights to allow automatic switching between high and low beam for safer night-time driving.

Road Sign Assist

Monitors the road signs ahead and displays key information such as the current speed limit in clear view.

FEATURES

Main features

- Toyota Safety Sense 2
 - Pre-Collision System with Pedestrian Day- & Night-time Detection and Cyclist Daytime Detection
 - Road Sign Assist
 - Automatic High Beam
 - Intelligent Adaptive Cruise Control
 - Full-speed Adaptive Cruise Control
 - Lane Trace Assist
- 16" alloy wheels (10-spoke)
- Rear-view camera display
- 8" Toyota Touch® 2 multimedia system
- Apple CarPlay/Android Auto™
- Digital Audio Broadcast (DAB)
- Bi-beam halogen headlights
- Front fog lamps (LED type)
- Rear combination lamps (LED bulb type)
- LED daytime running lights
- 3-spoke leather steering wheel
- Power, colour, heated door mirrors
- Dusk sensor
- Silver insert on front bumper
- Temporary spare wheel
- eCall emergency call system

Apple CarPlay is a trademark of Apple Inc.

LUNA GRADE

STYLING, FINISHES AND
FEATURES DESIGNED TO GIVE
YOU AND YOUR PASSENGERS
THAT LITTLE BIT MORE.

LUNA SPORT GRADE

AN ABUNDANCE OF NEW
TECHNOLOGY AND EXTRA STYLE,
FOR THOSE WHO WANT A CAR
THAT MATCHES THEIR AMBITION,
AS WELL AS THEIR LIFESTYLE.

FEATURES

Main features (additional to Luna)

- 17" bi-tone black & machine-finished alloy wheels (10-spoke)
- Cloud navigation
- Heated front & rear seats
- Driver seat with power lumbar support
- Rear privacy glass
- Automatically retractable door mirrors
- Rain sensor
- Electrochromatic mirror (auto-dimming)

FEATURES

Main features (additional to Luna Sport)

- 18" bi-tone grey & machine-finished alloy wheels (5-double-spoke)
- Smart Entry
- Front & rear parking sensors
- Partial leather seat trim
- PVC rear console box

SOL GRADE

THE ULTIMATE COROLLA SALOON SPECIFICATION, OFFERING THE BEST FEATURES AND TECHNOLOGY.

ACCESSORIES*

TO SUIT EVERY LIFESTYLE

With genuine Toyota accessories, you give your new Corolla Saloon a personal touch that suits your lifestyle, and you can add practicality without compromising on looks.

PROTECTION PACK*

Add rubber floor mats and a rear bumper protection plate to your Corolla Saloon.

Rubber Floor Mats

Genuine tailored-fit rubber floor mats help to protect your carpets against dirt, mud and water. They can be removed for easy cleaning.

Rear Bumper Protection Plate

Protect your rear bumper and boot area paintwork from scuffs and scratches when loading the boot.

Accessory images and model are for illustrative purposes only.

Side sills

Chrome side sills that run low along the side of the car, to give it a touch of racetrack style.

STYLE PACK*

Complement the flowing lines of your Corolla Saloon with a collection of enhancements that add real road presence.

* Available as accessories from your local dealer.

Scuff plates

Protect the finish on your door sills with a set of smart scuff plates, adorned with the Toyota Hybrid logo.

ACCESSORIES*

HOLIDAY PACK*

Now you can take even more luggage with you, thanks to a roof rack and roof box created specifically for the Corolla Saloon.

Roof rack

Enjoy extra carrying capacity with this fully lockable aluminium roof rack. Easily installed, it sits low on the roof, reducing wind noise and aerodynamic impact.

Thule Pacific 200 Roof Box (Internal volume 410 litres)

This secured, streamlined, silver-grey roof box fitted to your Corolla increases versatility and practicality. Roof boxes are the perfect solution for families looking for more space when going on holiday.

* Available as accessories from your local dealer.

Accessory images and model are for illustrative purposes only.

CARE PACK*

Keep your Corolla Saloon in the best condition possible with accessories designed to protect it from everyday bumps and scrapes.

Mud flaps

Stop flying mud, water spray and stone chips damaging your lower body paintwork, with mud flaps for each wheel.

Boot liner

Keep the inside of your boot free from dirt, scratches and anything else it might encounter, with a perfectly fitting, anti-slip boot liner.

Wheel Lock Nuts

Replacing one nut on each wheel will maximise security for your valuable alloys.

ENVIRONMENTAL PERFORMANCE

Fuel Combined WLTP (l/100 km)	4.5–5.0
Fuel Low (l/100 km)	4.0–4.4
Fuel Medium (l/100 km)	3.7–4.2
Fuel High (l/100 km)	4.0–4.5
Fuel Extra High (l/100 km)	5.4–6.2
CO ₂ Combined WLTP (g/km)	102–113
CO ₂ Low (g/km)	90–99
CO ₂ Medium (g/km)	85–94
CO ₂ High (g/km)	91–101
CO ₂ Extra High (g/km)	127–139
Exhaust Emissions EC Regulations (Update)	EU 2018/1832 AP
Euro class	EURO 6 AP
Carbon Monoxide, CO (mg/km)	89.9
Hydrocarbons, THC (mg/km)	11.6
Nitrogen Oxides, NO _x (mg/km)	2.5
Sound level drive by (dB(A))	68

The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

TOYOTA 2050 ENVIRONMENTAL CHALLENGE & ENVIRONMENTAL LIFECYCLE POLICY

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

CHALLENGE 1

NEW VEHICLE ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 4

MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 2

LIFE CYCLE ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 5

ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Corolla Saloon is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

For more information regarding Toyota Environmental Challenge please visit: www.toyota.ie or contact your local Toyota dealer.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

YOUR COMPLETE PEACE OF MIND WITH TOYOTA

CHALLENGE 3

PLANT ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 6

ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

The Toyota Corolla is built to the highest quality standards at TMMT in Sakarya, Turkey.

HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover[§] on an annual/15,000 km basis (whichever comes sooner) up to the 15th year from vehicle registration date.

QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

For more information on peace of mind visit: www.toyota.ie

[§] Check with your dealer for specific Toyota Hybrid Service Programme details. [¶] Check with your dealer for specific warranty details. ^{**} Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.

COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty[¶], and a 5-year/100,000 km warranty on Hybrid components for Hybrid vehicles which covers any defect caused by a manufacturing fault^{**}.

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

TOYOTA EUROCARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[¶].

WE MAKE IT

HYBRID

Since 1966, the Toyota Corolla has stood for a unique combination of style, reliability and driving pleasure. Now, more than 45 million cars later, Corolla leads the way once again, thanks to Toyota's unique self-charging hybrid. And with innovative technologies, updated features, refined trim grades and an all-new design, the Corolla Saloon could well be the smartest decision you'll ever make.

Model shown is for illustrative purposes only.
