

HIGHLANDER

GO BIG. GO HYBRID.

What if it's possible to have it all? The Toyota Highlander is a Hybrid that offers the best of both worlds. It has the power to cruise at speed on long motorway road trips, but low CO₂ emissions for inner-city traffic. It handles outstandingly, performing equally well on mountain climbs and urban commutes. Its streamlined design makes a serious style statement, while a luxurious interior comfortably fits the whole family – with adaptable storage space for any luggage requirements. Imagine a car without compromise. Imagine the Toyota Highlander.

FOR EVERY DRIVE. FOR EVERY DRIVER.

The world is changing fast. So is the way we travel. The Toyota Highlander embodies this adaptable spirit, thanks to the options its 2.5 litre Hybrid Dynamic Force engine gives. Choose how you drive with NORMAL, ECO and SPORT modes, all with their own performance personality to suit you. Each of these drive modes can be combined with EV mode for a zero emissions ride*. The Highlander goes above and beyond its class, allowing you to customise and maximise the efficiency of your drive.

Whichever mode you choose, you'll find acceleration, power and responsiveness, as well as a quiet and comfortable ride.

HYBRID

2.5 LITRE HYBRID AWD-i

Power 248 hp

Fuel consumption[§] 6.7–7.1 l/100 km

CO₂ emissions[§] 151–159 g/km

Acceleration 0–100 km/h 8.3 seconds

* Depending on battery charge and driving conditions.

[§] Combined cycle.

DRIVE WITH HYBRID POWER. DRIVE YOUR WAY.

Life is a journey of constant discovery. Whether your adventure is planned or spontaneous, the Toyota Highlander is the ultimate companion. The open road is there to be conquered, and so too is trickier terrain. The 2.5 litre Hybrid Dynamic Force engine is powerful enough to pull a 2T trailer and is combined with an AWD-i system that automatically kicks into action whenever needed – from pulling away from a stationary position to navigating low-grip conditions such as ice and snow. By engaging an additional rear electric motor independent to the main one, it distributes additional driving force to the rear wheels, suppressing front wheel slip. It even works to reduce understeer, helping the Highlander glide confidently around corners.

DRIVE IN STYLE. DRIVE IN COMFORT.

True craftsmanship is about details; little touches that make a big difference. Inside the Toyota Highlander that means luxurious leather seats*, the height of comfort, with built-in heating and cooling functionality[§] to ensure driver and passengers are always comfortable. For the driver, the elevated seating position gives a view of the whole road. The impressive 8" multimedia display shows everything you could possibly need, from navigation to your favourite playlist, all easily readable while driving. As the day draws to a close, ambient blue LED lighting illuminates the interior so that everything you need is visible and at your fingertips. It's the perfect blend of style and substance.

* From Sol grade.

[§] Platinum grade.

CONNECTED WORLD. CONNECTED DRIVING.

Innovation moves our world forward. The Toyota Highlander is full of technology that not only improves your driving experience, but integrates with everyday life too. Simply connect your Apple or Android phone, then control everything from calls to your favourite playlists and navigation via the 8" touchscreen. With the Toyota Highlander, you have everything you need to power your next adventure.

8" multimedia display

With Apple CarPlay and Android Auto™ as standard, connecting your phone is easy*. You'll always be in control of what's next – all accessible via the 8" multimedia touchscreen.

Apple CarPlay is a trademark of Apple Inc.

Wireless phone charging

With a wireless charging pad in the centre console, all you need to do is place your smartphone down to regenerate its battery while you drive.*

Head Up Display and TFT screen

Display useful information using the Highlander's Head Up Display[§], from speed to turn-by-turn navigation and EV driving range. You'll never need to take your eyes off the road.

Smart view mirror[§]

Real-time images from a high-definition camera mounted high on the back window ensure an unobstructed view even when your boot is packed to the roof.

* Requires compatible mobile phone.

§ Standard on Platinum grade.

SPACE FOR SEVEN. SPACE FOR LIFE.

Any journey is as much about the company you keep as the places you visit. Keeping everyone happy naturally makes the experience all the better. The Toyota Highlander carries up to seven people in comfort and style, with generous leg room wherever they sit and an incredible panoramic roof* that grants views and a spacious feeling for all. With 3-zone automatic climate control, temperature can be operated in driver, passenger and rear zones, ensuring all passengers will be as warm or cool as they would like to be. In the front[§] and second* rows, heated seats grant even more control. Individual storage spaces and USB charging points will keep everyone entertained throughout the journey.

* Platinum grade only.

[§] Standard all grades.

VERSATILE INTERIOR. VERSATILE LIVING.

Space on demand

Whatever your needs, wherever you're going, Highlander offers a variety of seating configurations.

7 seats 332* litres

5 seats 865* litres

2 seats 1909* litres

The Toyota Highlander's interior can adapt to whatever you need to carry. If seven people are in the car, a 332*-litre boot provides ample room for everyone's belongings. Fold down the back row, and that expands to 865* litres (5-seat configuration). Fold down the second row too, and the result is an astonishing 1909* litres of storage (2 seat configuration). After sensing your Smart Key, the large rear doors open automatically when you wave your foot under the bumper[§]. And a panoramic glass roof with powered retractable sunshade[§] allows you to let as much or little natural light in as you like.

* Up to roof, including under deck storage space.

[§] Platinum grade only.

SPACE ON DEMAND

INTELLIGENT DRIVING. INTELLIGENT SAFETY.

Panoramic View Monitor*

Helps to make parking safer and easier. It combines images from four cameras to create a near 360° 3D view of the surroundings. Displayed clearly on the Toyota Touch® 2 multimedia system screen, the driver can choose from two viewing modes: Moving View and See-through View.

Rear Cross Traffic Alert with automatic braking

Allows you to reverse out of a parking space safely by detecting other vehicles approaching your blind spot area. RCTA alerts you with a buzzer and flashing indicators on the outer mirrors. If the driver fails to brake in time, the brakes automatically engage to prevent or mitigate a collision.

Blind Spot Monitor

Allows you to manoeuvre more safely during lane changes. If the rear-mounted radar sensors detect a vehicle in your side or rear blind spot, a warning indicator illuminates on the appropriate side mirror. If you indicate to change lanes and a vehicle is in your blind spot, the warning indicators will flash.

Toyota Safety Sense features the latest technologies designed to prevent the most common types of accident. Take its Pre-Collision System, which consists of Forward Collision Warning, Pre-collision Brake Assist, Autonomous Emergency Braking and Emergency Steering Assist to enhance steering in the event of potential collision. A recent upgrade to the system delivers additional safety at junctions, thanks to the Intersection Turn Assistance function. The Highlander can even detect danger approaching from behind and take action if a rear collision looks possible.

Speed and Lane Trace Assistance functions make the driving experience more comfortable. Intelligent Adaptive Cruise Control, comprised of Full Range Adaptive Cruise Control and Road Sign Assist, adapts cruising speed to match speed indicated by traffic signs. Other functions, such as Lane Trace Assist including Lane Departure Alert with Steering Control help to keep you on track and centred in the lane. In addition, Automatic High Beam provides better night-time visibility.

* Platinum grade only.

HIGHLANDER.

MAIN FEATURES

- Toyota Safety Sense 2
 - Pre-Collision System with Pedestrian day & night-time and Cyclist daytime Detection
 - Full-range Adaptive Cruise Control
 - Intelligent Adaptive Cruise Control
 - Lane Departure Alert with Steering Assist
 - Lane Trace Assist
 - Intersection Collision Mitigation
 - Front to Front Risk Detection
 - Road Sign Assist
- 18" dark-grey machined-face alloy wheels (5-spoke)
- Parabola LED headlamps
- LED front fog lights
- Privacy glass
- Rear-view camera (fixed lines)
- 8" Toyota Touch® with Digital Audio Broadcast (DAB)
- Apple CarPlay / Android Auto™
- 6 speakers
- Wireless charger
- Smart entry
- 3 zone climate control
- Heated, 3-spoke leather steering wheel
- Auto-retractable, heated door mirrors
- Synthetic leather upholstery

- Heated front seats
- Driver and passenger 8-way power adjustable seat
- Driver power-adjustable lumbar support
- Blind Spot Monitor
- Rear Cross Traffic Alert
- Hill-start Assist Control (HAC)
- 7" Information display
- Electrochromatic rear-view mirror (auto-dimming)
- Blue ambient lighting on door trim
- Blue ambient lighting on instrument panel
- Matt black front and rear door inserts
- Rear sunshade
- Silver roof rails
- Black under-runs
- Spare wheel

Interior trims and finishes

Model shown is Highlander grade with black synthetic leather seats with 7" information display and 6 speakers.

SOL.

MAIN FEATURES (ADDITIONAL TO HYBRID)

- 20" alloy wheels (5-triple-spoke)
- JBL premium sound system
- 11 speakers
- Satellite navigation
- Rear-view camera with dynamic guide lines
- Intelligent front and rear parking sensors
- Power back door
- Projector LED headlamps
- Headlamp cleaners
- Genuine leather upholstery - choice of black or grey
- Paddle shift
- Woodgrain front and rear door inserts
- Reverse tilt & memory door mirrors with puddle lamp
- Chrome roof rails
- Silver under-runs

Interior trims and finishes

Model shown is Sol grade with black leather seats, satellite navigation and JBL premium sound system.

PLATINUM.

MAIN FEATURES (ADDITIONAL TO SOL GRADE)

- 20" machined-face alloy wheels (10-spoke)
- Panoramic roof
- Panoramic View Monitor (PVM)
- Smart interior mirror
- Head Up Display (HUD)
- Power back door with kick function
- Genuine perforated leather upholstery – choice of black or grey
- Heated and ventilated front seats
- Heated rear seats
- Dark grey painted under-runs

Interior trims and finishes

Model shown is Platinum grade with black leather seats and panoramic roof.

TRANSPORT IN STYLE.

Whatever your lifestyle, Toyota has the perfect accessory for the job. Each one is designed to function perfectly and to complement your Highlander's looks.

Cross bars

These aerodynamic, lockable cross bars click easily into the roof rails on your Highlander. They can be used with a wide range of other attachments.

Side step

The side step gives you easy access to the roof accessories while enhancing the rugged appeal of your Highlander.

Available as Accessories through your local Toyota dealer.

PACK COMBINATIONS

The Transport Pack consists of crossbars and a detachable towing hitch.

The Protection Pack consists of textile floor mats, boot liner, rear bumper protection plate and door edge protection.

The Styling Pack consists of 18" machined-face alloy wheels, side steps and scuff plates.

Please contact your local Toyota dealer for detailed information.

Detachable towing hitch

Lets you make full use of your vehicle's powerful towing capacity. The hook can be removed when not required.

AWD-i badge

The badge to make your mark for the tailgate.

Rear bumper protection plate

The rear bumper protection plate guards the paintwork in the boot area, with extra styling detail to complement your vehicle's design.

Bike holder

Safely take your bike on the roof. Lockable on both bicycle and roof rack and can be installed on both either side of your Highlander.

Ski and snowboard holder

Easy to use ski holder for six pairs of skis or two snowboards. Your equipment is securely fastened between two rubber profiles.

Ski box – glossy black

High capacity yet streamlined design especially for winter sports holidays. Can be opened on both sides.

PROTECTION WITH COMFORT.

Toyota's protection accessories give you the perfect plan of attack to avoid scratches and grime. Keeping your Highlander in mint condition.

Boot liner

The boot liner fits perfectly into your Highlander's boot to protect it from dirt, spills or muddy paws. Its anti-slip surface also stops luggage moving.

Available as Accessories through your local Toyota dealer.

Side moulding

Provide your Highlander with an extra layer of protection to help guard the side panels. Very useful on parking lots and well-aligned with the body colour. Stylish and efficient.

Door edge protector

Protect vertical door edges against impact that might cause damage to the metal or paintwork of your vehicle's door.

Door handle protection film

Prevent minor scratching of the paintwork around your car's door handles.

Textile floor mats Hybrid

Stylishly protect your car's cabin carpets. Safety fixings hold the driver's mat firmly in place.

... or use rubber floor mats

For protection against the very worst conditions. Impervious to dirt, mud and water.

Aluminium scuff plates Hybrid

Protect your sill paintwork from scratches, scrapes and marks, while adding an aesthetic edge, with aluminium scuff plates.

Boot mat

The carpeted boot mat gives you choices for the appearance and protection of your boot. Tough, practical and easy to clean.

Horizontal cargo net

Keep your small or moving luggage safe in the boot.

BODY COLOURS.

First impressions count, and the Toyota Highlander's bold design makes a style statement wherever you go. Choose from a range of suave pearlescent or metallic colour options to truly stand out from the crowd, from Tokyo Red to Midnight Blue.

* Pearlescent paint.

Hydrocarbons, NMHC (mg/km)	14.6
Nitrogen Oxides, NOx (mg/km)	6.7
Smoke particulates (mg/km)	0.24
Sound level drive by (dB(A))	68.0

The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: <https://www.toyota-europe.com/world-of-toyota/feel/environment/worldwide-harmonized-light>

TOYOTA 2050 ENVIRONMENTAL CHALLENGE & ENVIRONMENTAL LIFECYCLE POLICY.

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one throws up its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

CHALLENGE 1 NEW VEHICLE ZERO CO₂ EMISSIONS

By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

CHALLENGE 2 LIFE CYCLE ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Highlander is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

For more information regarding Toyota Environmental Challenge please visit: www.toyota.ie or contact your local Toyota dealer.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

YOUR COMPLETE PEACE OF MIND WITH TOYOTA.

CHALLENGE 3 PLANT ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

CHALLENGE 6 ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

HYBRID SERVICE PROGRAMME

Hybrid Battery Extra Care cover[§] on an annual/15,000 km basis (whichever comes sooner) up to the 15th year from vehicle registration date.

QUALITY SERVICE

Your Toyota will need a Health & Safety check at least once every 2 years/30,000 km (whichever comes sooner). An intermediate check is necessary every year or 15,000 km.

LOW MAINTENANCE COSTS

All Toyota vehicles are designed and engineered to minimise your maintenance costs.

GENUINE PARTS

Providing the reassurance of Toyota quality, only genuine and approved components are used on your vehicle.

COMPREHENSIVE WARRANTY

Every new Toyota comes with a 3-year/100,000 km vehicle warranty[¶] and a 5-year/100,000 km warranty for Hybrid components on Hybrid vehicles, which covers any defect caused by a manufacturing fault^{**}.

ADDED SECURITY

Toyota's comprehensive security system withstands the insurance industry's rigorous 5-minute attack test.

TOYOTA EURO CARE

Enjoy peace of mind driving with complimentary Toyota Eurocare roadside assistance in 40 European countries for 3 years^{§§}.

GENUINE ACCESSORIES

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. All accessories are covered by a 3-year warranty when purchased together with the vehicle[¶].

For more information on peace of mind visit: www.toyota.ie

[§] Check with your dealer for specific Toyota Hybrid Service Programme details. [¶] Check with your dealer for specific warranty details. ^{**} Transport to the nearest authorised Toyota repairer will also be covered. In addition the 3-year/unlimited mileage paint warranty protects against defects and surface rust caused by a manufacturing fault. Every new Toyota is covered by a 12-year anti-corrosion (not valid for commercial vehicles) warranty against perforation of body panels caused by a manufacturing fault in materials or workmanship.

TOYOTA FLEET PARTNER.

Toyota know that business is never just business, which is why we have created a range of commercial vehicles you can trust. Choose from our legendary Hilux, Proace City, Proace, Land Cruiser and Highlander and put your business in safe hands. Our dedicated Toyota Professional dealers are on hand to keep you moving. With highly trained technicians and a comprehensive range of services built around you, Toyota Professional offers you the back-up you need for total peace of mind.

PICK-UP AND DELIVERY*

If your Toyota needs to be repaired, we will pick it up and return it, so that you can carry on with your business. Simple.

EXPRESS SERVICE*

Time is money, so we guarantee to complete scheduled services and maintenance in 60 minutes or less, with two technicians working on your vehicle at the same time.

EXTENDED OPENING HOURS*

We will take care of your pick-up when you don't need your pick-up to take care of your business, with opening hours that suit you.

FAST LANE FOR SPECIFIC SERVICES*

Some things just can't wait, which is why we have created a fast lane servicing facility for urgent repairs. It really couldn't be quicker.

ROAD SERVICE ASSISTANCE*

It's reassuring to know that you are never alone: our roadside assistance includes mobile workshops and vehicle recovery to get you up and running again as quickly as possible.

COURTESY HIGHLANDER*

Need a pick up when yours is with us? Our fleet of courtesy pick ups are here to keep you moving.

* Please contact your local Toyota dealer for availability of services
